## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Southwest Guidance Center  
PO Box 2945  
Liberal, KS 67905-2945

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Southwest Guidance Center (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Directors  
Southwest Guidance Center  
Liberal, KS 67905-2945

Page 2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southwest Guidance Center as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Other Matters***

#### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards and other schedules as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 4, 2016, on our consideration of Southwest Guidance Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwest Guidance Center's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Southwest Guidance Center  
PO Box 2945  
Liberal, KS 67905-2945

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Southwest Guidance Center (a nonprofit organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated May 4, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Southwest Guidance Center’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwest Guidance Center’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Directors  
Southwest Guidance Center  
Liberal, KS 67905-2945

Page 2

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Southwest Guidance Center's financial statements are free from material misstatement, we performed test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2015 and 2014

Note 1: Summary of Accounting Policies

A. Nature of Activities

Southwest Guidance Center is a community mental health center whose service area is composed of Haskell, Meade, Seward and Stevens counties in Southwestern Kansas. It is governed by a sixteen member board. When an opening occurs on the board, the County Commissioners of the four counties in its service area gives their recommendations for potential board members. However, the board of Southwest Guidance Center approves the final selection of the members to the board.

Southwest Guidance Center is licensed as a community mental health center on a biannual basis by the Mental Health/Retardation Services of the Kansas Department of Social and Rehabilitation Services.

Its mission is to provide services to meet the health education, prevention, and treatment needs of the residents of its four county service area. This care is to be provided in such a way as to respect the personal dignity and rights of each individual.

The Center's services are made available to every resident of the Center's service area regardless of an individual's race, color, religion, age, sex, or place of national origin.

Persons who present themselves as experiencing a mental health emergency are never denied service for any reason.

B. Income Tax Status

The organization qualifies as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. In addition, the organization qualifies for a charitable contribution under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

C. Cash Equivalents

For purposes of the statement of cash flows, the company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

D. Basis of Accounting

The accompanying financial statements have been prepared on the basis of accounting in accordance with accounting principles generally accepted in the United States of America.

E. Client Accounts Receivable

These assets are recorded at gross billings. No attempt has been made to set up an allowance for doubtful accounts. Direct charge-offs of an account are made when it becomes apparent that collection will not be made. Accounts receivable are then adjusted down to a collectible amount.

F. Property and Equipment

All acquisitions of property and equipment in excess of \$250 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method. Depreciation is taken over useful life of 5 to 40 years with no salvage value.

G. Cash and Time Deposits

Deposits are carried at cost and, if applicable, plus accrued interest. The carrying amount of deposits is separately displayed as "cash".

Southwest Guidance Center deposited and/or invested funds with the Sunflower Bank, Bank of America, First National Bank and Golden Plains Credit Union, all of Liberal, Kansas. They also deposited and/or invested funds with Centera Bank of Sublette, Kansas.

G. Cash and Time Deposits (Continued)

At year end the carrying amount of the Center's deposits, including certificates of deposit, was \$267,682. The bank statement balances were \$306,122. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. Of the bank balance, \$306,122 was covered by FDIC insurance and \$ -0- was covered by securities pledged.

Certificates of deposit totaling \$25,000 (\$319,191 at December 31, 2014) are included in cash in the accompanying financial statements. The certificates bear interest ranging from 1% to 4% and have maturities ranging from three to twelve months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

H. Defined Benefit Pension Plan

Plan Description

Southwest Guidance Center participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by KSA 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015.

Note 1: Summary of Accounting Policies (Continued)

H. Defined Benefit Pension Plan (Continued)

Contributions (Continued)

Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1 and KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 0.85% contribution rate for Death and Disability Program) and the statutory contribution rate was 9.48% for the fiscal year ended December 31, 2015. Contributions to the pension plan from Southwest Guidance Center was \$111,289 for the year ended December 31, 2015.

Net Pension Liability

At December 31, 2015, Southwest Guidance Center's proportionate share of the collective net pension liability reported by KPERS was \$858,350. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2014, which was rolled forward to June 30, 2015. Southwest Guidance Center's proportion of the net pension liability was based on the ratio of Southwest Guidance Center's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

K. Contingent Liabilities

The Center participates in the State of Kansas grants to community mental health facilities. These programs are subject to program compliance audits by the grantor or their representatives. The audit of these programs for or including the years ended December 31, 2015 and December 31, 2014 have not been conducted. Accordingly, the Center's compliance with applicable grant requirements will be established at some future date. The amount, if any, of expenditures which may be disallowed by the granting agency cannot be determined at this time, although the Center expects such amounts, if any, to be immaterial.

L. Budget Information and Encumbrances

Annually a budget is approved by the governing body. This approved budget provides management with the total dollar amount that may be legally expended each year: to provide the documentation needed in requesting appropriations from all the participating counties; and to provide other necessary information for management purposes. The annual budget is not required to be filed with the County Clerk for submission to the Kansas Department of Administration.

The operating budget is prepared using the accrual basis of accounting.

M. Expendable Restricted Resources

Operating funds restricted by the grantor or other outside party for particular operating purposes are reported as revenues when earned. The funds incur expenditures in compliance with the specific restrictions of the grantor.

N. Allocation of Expenses

During operations in the year certain types of expenditures are allocated within the general fund. These expenditures are allocated so that the organization may match the expenditures with the appropriate grants. The organization's allocation is in proportion to the budgets that are approved by the grantor and time allocation reports.

O. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

P. Advertising

Advertising costs are expensed as incurred.

Q. Donated Services

Donated services of the board members were not recognized in the financial statements because they did not meet the criteria for recognition under SFAS No. 116.

R. Financial Statement Presentation

Under Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Temporarily restricted – principal and income designated for a specific purpose.

Permanently restricted – principal is to remain intact as an endowment.

Unrestricted – no restrictions or designations placed on principal or income.
